Career Objectives

To begin my coding career by utilizing my skills to develop impactful software solutions and advance my growth as a developer.

Technical Skills

Programming Languages:

- Java
- JavaScript

Web Development:

- HTML
- CSS
- React.js
- Tailwind CSS

Database Management:

- Firebase

Responsibilities

- Event Coordinator for HackHustler (Seshadripuram First Grade College)
- Event Coordinator for Techtrickie (Kristu Jayanti College)

Hobbies

- Chess
- Carrom

Education

BMS Institute Of Technology

Master of Computer Application | 8.38 CGPA | 2024 | Bangalore, India

Seshadripuram First Grade College

Bachelor of Computer Application | 8.5 CGPA | Sep 2021 | Bangalore, India

SET Pu College

Class 12 | 77.16% | March 2018

Projects

Resume Builder Application

Developed a resume builder application using React.js for the frontend, Tailwind CSS for responsive design, and Firebase for backend data management and authentication, enabling users to create and customize professional resumes.

Job Portal Application

Designed and developed the 'HireMe' job portal application using Firebase for backend data management and user authentication, and React.js with Tailwind CSS for creating a responsive and user-friendly frontend, enabling seamless interaction between job seekers and recruiters.

Achievements

- 2nd Place at CodeXpress competition at Instellation(Inter-college), organized by DSATM – 2024
- 1st place at CrackTheCode Competition at TechTransform, Organised by BMSIT – 2024
